# Donor Benefits 2014

Culpeper Regional Hospital  
Foundation

Dear Friends,

Your annual investment in Culpeper Regional Hospital provides important financial support to ensure your community hospital is there for all of life's major events: births, emergencies, illness, wellness, and end of life.

We have developed donor benefits as an acknowledgement and thank you for your generosity. Benefits include public recognition throughout the year and personal invitations to our events.

All 4Cs' Society donors are honored on our donor wall, located in the patient lobby of the hospital. 4Cs' Society members are invited to Culpeper Regional Health System's (CRHS) Annual Meeting and Dinner and 4Cs' Society Social, the annual donor recognition reception.

If you have any questions about giving, please contact the Foundation.

Thank you for your consideration,  
The Culpeper Regional Hospital Foundation Team
